

National Honor Society

- Membership in the NHS is one of the highest honors that can be awarded to a high school student. Our chapter supports the Society's standards of scholarship, leadership, service, and character. These four ideals are considered for the selection process. Members attend monthly meetings and participate in chapter service projects, as well as individual service projects. Membership in the GRACE Christian Academy Chapter not only provides opportunity for personal growth and community service, but also nationwide recognition and eligibility to NHS-specific scholarships.
